

## REDWING VIEW HOMEOWNERS ASSOCIATION

**Please refer to your Redwing View Homeowners Association Declaration and Bylaws given to you at your closing to ensure you are in compliance with all guidelines. These guidelines are in place to ensure the overall beautification of the neighborhood, for the consideration of our neighbors, and for the continuation of the perceived value of the neighborhood.**

### ADDITIONS TO THE LOT

1. Submit preliminary sketch to Appearance Control Committee of any structure to be built or installed along with a copy of the attached Alterations and Additions Application. Sketch should include the nature, kind, shape, height, material, color scheme and proposed location on Lot. Sketch should indicate whether or not any grade changes will be made on the Lot. A PLAT OF SURVEY INDICATING THE EXACT LOCATION OF THE IMPROVEMENT SHOULD ACCOMPANY THE APPLICATION.
2. Board (or committee) will make every effort to review within 14 to 30 days.
3. Homeowner will be notified, in writing, of the approval/disapproval of the project.

Please note that all plant material installed at your home should be indigenous to the northeastern Illinois region.

Questions pertaining to this procedure should be directed to Melinda Jara, property manager, at 847-806-6020 Ext. 130.
