VANGUARD COMMUNITY MANAGEMENT - AN ASSOCIATION MEMBER COMPANY

Redwing View Newsletter

From your Board of Directors

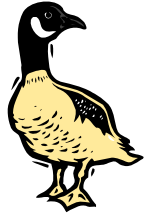

Effective April 17, 2009, Board President Ron Dorsey resigned from the Board of Directors citing personal reasons affecting his ability to devote the time necessary to the community. The Board wishes to thank Ron for his leadership. He will be missed.

A landscaping project is underway at the front entrance of our community. Trees, bushes and flowering plants are being added to enhance the appearance and appeal of Red Wing View's entrance.

Your Board of Directors is working with the DNR and the pond maintenance

and buffer maintenance companies to control the geese population in our community. Geese are a protected species. **Please do not try to harm or remove geese from your yard.**

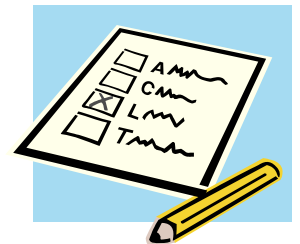

Vandalism has occurred along the pathway in the form of spray painting and marring of the wooden signs. It has been repaired at the expense of the HOA. If you see or are aware of any such activity, please call the Antioch Police Department non-emergency number (847 395-8585). They will dispatch a patrol car immediately.

We are also having an increase in the number of damaged boards in the white fence behind the playground. The Board of Directors is in the process of finding a sturdier fence. **Parents, please do not allow your children to kick soccer balls into the fence or climb on the fence.**

Upcoming Events

There will be an open **Homeowners Association Meeting on Wednesday, May 27, 2009 at 7:00 pm.** The meeting will be held at the Antioch Assessor's Office located at 1625 Deep Lake Road to discuss the voting results of the amendment changes. **It is very important that every homeowner return the completed Proxy/Ballot regardless of how you vote.**
