Re: Dangerous Activity

Dear Homeowner,

This courtesy notice is being sent you because a problem needs to be addressed. Specifically, children are playing on the construction areas in our sub-division. Please be aware that this, in addition to being trespassing, is also extremely dangerous and a tremendous liability risk.

Please make sure that you inform any children that are in your care of the potential dangers of playing at a construction site.

In addition, there has been a significant increase in vehicles speeding through the sub-division. Again, this is a very dangerous activity due to the number of children playing in our neighborhood.

Please take special care when driving through the neighborhood, pay attention to any children playing even remotely close to the road, and make sure you obey the posted speed limits.

Thank you for your anticipated cooperation.

Sincerely,

Jan Thomassen
Property Manager
